

CREATIVE YOU TIME

## SOME SIMPLE WRITING PROMPTS FOR YOU TO TRY

1. Write a letter in response to a famous song/film/poem/book

*E.g.: Dear Rhiannon, I can't believe you didn't share your umbrella with me, even though you wrote a song about it! Remember all the times we've shared together? Etc...*

2. Write down everything you see and hear for 20 minutes

*E.g.: snippets of conversations, signs, book covers, songs, TV or radio, sounds from the street, animals, etc.*

3. Write about the first time you did something. Think about the memory using all your senses. Think about how it made you feel.

*E.g.: the first time you rode a bike, the first time you got your heart broken, the first time you saw a beautiful place.*

4. Write a list.

*E.g.: You could write a list of things you own, things you like, things you have done, things you need to do, things you have in your cupboards!*

You could combine two lists for contrast or develop the list by adding more information (such as definitions, responses).

I hope these prompts will inspire you to write and possibly in a new way.
